Facility Maintenance & Repairs

Have you noticed all of the maintenance and repair work going on around our facilities? Air conditioning upgrades, bell tower repairs, sidewalk repairs? Even the main staircase has been scrubbed with bleach - by hand! All of this hard work is coordinated by volunteers and some of it is done for no payment. What needs to be paid for is primarily funded by our Capital Campaign. Thank you for your continuing support of this work! If you have any questions about how you can be more involved, please contact Duane McFarland or Bob Humm.
